

Experiment-09

Aim! To create a virtual hard disk and allocate the storage using VM ware workstations

PROCEDURE:

STEP 1: Go to VM ware Workstation

STEP 2: Right Click the VM and go to settings

STEP 3: Add hardware wizard & select .scs and

Click Next

STEP 4: Create New virtual disk

STEP 5: select the disk into multi-files

STEP 6: give name and click the finish

Library X	Home / other	VM setting
Type	other	Device
My Comp	Linux 2.2 / m	memory
other linux	Power on	processor
standuns	Edit VM	Hardware
	Devices	New hard
	memory	Coloud
	processor	USB Controller
	Hardware	Sound Card
	Coloud	printer

RESULT: Hence we successfully created a virtual hardware and allocate the storage using VM ware workstation.
